## SIAMS Report

18<sup>th</sup> January 2023

Dear Parents/Carers

I am pleased to advise you that we have now received our SIAMS report for the inspection carried out last week. A copy of the report is included with this letter and is also available on our website.

I am delighted to be able to share with you that our SIAMS grading is Good in all areas.

The report highlights the 'exemplary' behaviour of the pupils and the plentiful opportunities for spiritual growth of pupils and adults. It also praises the strong links between the school and the local church communities. It is clear throughout the report that our school vision and values drive everything that we do here at St. Andrew's.

There is mention in the report of the strong focus on our value of resilience and how 'all leaders ensure that pupils and staff have harnessed coping mechanisms when times are difficult.' This is particularly encouraging as we have prioritised this area both during and since the Covid pandemic.

The areas for development in the report have already been on our minds, and will form the basis of our long-term action plan for the coming years.

Thank you again to everyone who was involved during the inspection last Thursday, and also to everyone for continually supporting our vision and values, and working with us to nurture and support all our children.

I also wish to take this opportunity to thank all the staff and pupils for their hard work and contributions both on the day and over the past few years; and to particularly thank Mrs Allen who leads RE and Collective Worship across the school so brilliantly.

Yours sincerely

Mrs N Dallibar  
Head Teacher
