This is an online course, once you are enrolled your tutor will send you a link to google meet so you can attend the session			

About the course:

The intent of this course is to gain more knowledge, aimed at parents who would like some guidance about how to prepare their children for returning to school after lockdown. The course will look at anxieties, routines, social skills, keeping safe, school readiness. Help Parents/carers by providing strategies to support their children.

What will I learn?

At the end of the course, you will have learnt -

- To be able to use strategies to support children.
- Show children how to stay safe in the school environment.
- Understand the importance of routine and independence.
- Use websites for further tailored information

How will my work be assessed?

Progress of your work will be assessed throughout the course by your tutor. You will be required to reflect on your own learning throughout the session.

What experience or qualifications do I need to start this course?

You do not need formal qualification to apply for this course but you will need to be able to use written and spoken English to at least Entry level 3 standard in order to complete the reading and writing necessary for the successful completion of the session. You don't need to attend an initial assessment.

Is there anything I need to bring? Are there any other costs:

Please bring a note pad and pen. Advice and guidance will be given throughout the session.

Can I get extra help?

Yes. If you think you might need some additional support with your learning, please ask your tutor or the Centre staff for more information about our learning support offer.

After the course...

You may wish to consider a qualification course or a community learning course to develop your skills further.

What job opportunities could this lead to?

This course will support you feel more comfortable and confident in supporting your child to return to school.

How will I be able to give my views on the course?

We welcome views from our learners in a number of ways. You can give your views through your ILP, course evaluation forms, on-line questionnaires and our Compliments, Comments and Complaints forms which can be found in Centre offices. You may also choose to become a course representative for your class, which your tutor will discuss with the class at the start of your course.

Safe Learning

We want you to enjoy your learning experience and feel safe, equal and respected while you are here with us. If you have any concerns about any of these things please report it to a member of staff as soon as possible.

How to apply

To apply, contact a centre for more details and how to enrol.

Please note - the course will only go ahead subject to sufficient enrolments.

Information and advice

This information is designed to help you decide if this is the right course for you. Please phone us if you are unsure. Learners choosing accredited courses may need advice or an interview before enrolment is confirmed.
