Please complete the form overleaf to apply for a place for Scrapbooking and Baking or Choir only. All slips should be returned direct to your child's class teacher by Friday 14th September.

For all other clubs, you will need to follow the instructions on the separate flyer or letter that will be sent out via ParentPay this week.

Please note; if you have not completed and returned the permission slip for consent to receive third party marketing, then you will not receive any further information about the clubs listed above.

Children must be collected on time from all after-school clubs. If you wish your child to go home on their own after an after-school club, you must let us know in writing. Children are welcome to go home in their own clothes after school clubs. All staff who run clubs will make sure that children are collected by an appropriate adult in line with school policy. All children who attend clubs will be expected to behave sensibly and appropriately and to attend each session regularly. Club staff may contact parents directly if there are any issues regarding behaviour, attendance or late payment.

Thank you for your continued support.
