Summer Term 8
21st June 2019

Well done to Year 5 who presented a very entertaining performance as part of their class assembly this morning. The children have been planning, preparing and writing their assembly over the past few weeks, and it was wonderful to see how it all came together this morning. Thank you to all parents and carers who attended, and thank you to Miss Lal and Mrs Najafi for supporting the children through their preparations.

Can you help?

We are in need of any socks, underwear, school trousers, skirts, shirts and blouses. Sometimes children need to change their clothing during the day at school and we are running low on our supplies at the moment. We would welcome donations in all sizes. Thank you.

Our Year 6 children have been away for the whole week at the Wildchild Adventure Centre in Hertfordshire. They have been doing archery, abseiling, crate stacking, team-building, wide games and zip wire amongst other things. They have had a fantastic time and Miss Lawrence, Mrs Allen and Mr Astill are all really proud of them and their achievements this week.

People Who Help Us

Year 2 have been learning all about people who help us as their topic for this half term. They have had several visitors in school this week and yesterday they dressed up as 'people who help us'. Here is a comment from the Police Officers who visited Year 2 yesterday, 'Can I just say what a great class you have. They were really confident, engaging, well-spoken and asked some really intelligent questions.'
