Summer Term 3  
10<sup>th</sup> May 2019

This week, all of the children (and some parents) have visited the Life Bus. Although it has been a short week, it has of course been another busy week. We have been talking about our school vision, and learning our new school strap line/mission statement. Ask your child what it is (the answer is on the next page!)

Also this week, the Chair of Governors and I had a meeting with the Director of Education for the London Borough of Hillingdon. The purpose of the meeting was to ensure that as a school we are making good progress against the Ofsted judgements. I am delighted to report that the feedback was all very positive and they can see that a number of initiatives and actions have been put in place around the key areas of Leadership and Management, Outcomes and Behaviour. If you would like to know more about our post Ofsted plans and progress, then these plans are available from the school office and will shortly be displayed on our school website.

### Life Bus

As of last night, only 38% of parents had paid their contribution to the Life Bus. This is really disheartening. Please go online and pay your contribution via ParentPay as soon as possible.

All of the children have really enjoyed their sessions on the Life Bus this week. Class Teachers have been particularly impressed with how knowledgeable the children were about how to keep themselves safe online.

All of the classes have behaved impeccably, and yesterday 12 Year 5 and 6 parents went onto the Life Bus for the special parents' session all about Sex and Relationships Education.

### Drop and Go

Please remember that the Drop and Go is specifically for children from Year 3 and up (KS2 children only)

All children in EYFS and KS1 must be brought to the classroom door each morning by an adult.  
Thank you.
