Growing and learning together with God

Well done to Year 6 for their brilliant assembly this morning. Much of the content of the assembly was written and prepared by the children themselves. It was great to hear how once again the children have been really engaged by their topic. I certainly learnt a great deal about the Vikings and the Battle of Hastings today. Thank you to all parents who attended and supported. Thank you

to Mr Astill and Mrs Najafi too.

Healthy Eating

Next week we are launching a new initiative in school to promote healthy eating and responsible eating. House Captains will be handing out stickers and house points to children who eat everything on their plate or in their lunchboxes at lunchtime. Too much food is being thrown away and children are rushing their food so they can go out to play. We will be supporting them to make good choices about eating and to understand the importance of finishing their meals. Where children are persistently not eating their food, we will be informing parents so that you can work with your child to order or prepare a healthy, balanced meal that they will enjoy.

Our initiative will be running until the end of this term, and we will welcome your support and feedback throughout this time.

Lip Balms

Please do let your children bring lip balms in to school. Children have been sharing these with each other and having arguments over them. If your child has sore lips then please put a label on some Vaseline or a lip balm and hand it to the class teacher who will supervise sensible use when needed.

Thanks.

Health and Hygiene

Please make sure you return your Flu vaccination form for the Flu Jabs on 9th December – unless you have already accessed this free service via your own GP. Also please make sure that if children have any vomiting or diarrhoea that you keep them away from school for 48 hours.
