Vision and Values

- As a school we have decided on a new vision for the school, based on the verse from 1 Corinthians 3 verse 8.
- 'There is no difference between the one who plants and the one who waters. God will reward each one according to the work each has done.' (Good News Bible)
- Our new values will be
- Responsibility, honesty, resilience, self-control, empathy and equity
- We are really excited about this and welcome contributions and suggestions from parents about a strap line we can use and how we can embed this across the school.
