

# Nursery

## Communication and Language

Listening, Understanding, Speaking

Play games that encourage the children to describe each other's features, characteristics and qualities. Learn greetings in other languages. Create a variety of role-play scenarios from everyday life. Developing listening and attention through singing songs, and reading stories.

Begin talk share.

## Personal, Social and Emotional Development

Understand how we are unique and marvellous - what we like and dislike. Establish classroom rules and routines. Explore different feelings and emotions. Develop a self-appreciation and recognise what we enjoy and how our friends are different.

## Marvellous me!

# Autumn 1

## Literacy

Listening to a range of sounds - describing them. Recognising our names and the initial sounds. Mark making and learning how to hold and use a pencil correctly. Trace shapes/lines to develop our pencil control.

## 1 2 3 4 5 Maths

Trace, make, draw and learn about simple shapes (triangle, square, and circle) Count to 5 forwards and backwards. Understand the language more, fewer and the same.

## Physical Development

Understand the importance of looking after ourselves- including the importance of exercise in keeping fit and healthy. Recognising fruits and vegetables we like and trying new ones. Developing our fine motor skills with weekly activities and encouraging children to get dressed independently. Using the toilets independently.

## Expressive Arts and Design

Explore making handprints. Discover sounds our bodies make. Learn songs linked to our theme and use instruments to accompany them. Develop our painting, craft and role play skills.

## Understanding The World

Look at the human body and identify different parts. Name family members. Observe and describe how everyone is different and what activities we do.
