

Personal, Social and Emotional Development

Present themselves, what they like and what they dislike. Establish classroom rules and routines. Explore different feelings and emotions. Develop a self-appreciation and love for ourselves as well as cherishing each other.

Physical Development

Understand the importance of looking after ourselves- including the importance of exercise in keeping fit and healthy. Develop fine motor skills with a focus on getting dressed, using a variety of fastenings. Using independently the toilets.

Communication and Language

Play games that encourage the children to describe each other's features, characteristics and qualities. Learn greetings in other languages. Create a variety of role-play scenarios from everyday life.

Developing listening and attention through singing songs, reading stories and exploring musical instruments.
