

Communication and Language

We are listening to stories relating to our theme, Dinosaurs!

Some of the books we will read are, Harry and the bucketful of dinosaurs and How to grow a dinosaur.

We are listening to longer stories and will be able to remember much of what happens.

We are understanding 'why' questions.

Personal, Social and Emotional Development

We are playing as a group and, extending and elaborating on our play ideas.

We are developing our sense of responsibility and membership of the class/school.

Physical Development

We are using our large muscle movements to wave flags and streamers, paint and make marks.

We are using and remembering sequences and patterns of movements which are related to music and rhythm.

We are learning how to control a bat and ball.

Literacy

We are engaging in extended conversations about stories, learning new vocabulary.

We are using our print and letter knowledge in our early writing and are writing some or all of our names.

Mathematics

We are understanding positional language and are using words such as, 'in front' and 'behind' to describe it.

We are making comparisons between objects relating to size, length, weight and capacity.

Dinosaurs-Summer 1

Understanding the World

We are learning lots of information about dinosaurs. What their names are, what they liked to eat, how big they were and where they lived.

We are talking about the differences between materials and changes we can notice.

Expressive Arts and Design

We are creating art work relating to our theme of the week and our stories.

We will be exploring colour and colour mixing.
