

Nursery

Communication and Language.

Listening

We are listening to stories related to the theme Transport. Some of the books we will read are: Roaring Rockets, Naughty Bus, The Train Ride and Down by the station.

Understanding

We are learning to understand prepositions such as 'under', 'on top', 'behind' by carrying out an action or selecting correct picture.

Speaking

We are building on our vocabulary to reflect on the breadth of our experiences.

Physical Development

We are experimenting different ways of moving in the outdoor environment.

We are continuing to develop how to hold a pencil near point between first two fingers and thumb and use it with good control.

We are developing our hand/finger control when holding one-handed equipment.

Summer 2

Personal, Social and Emotional Development

We are becoming confident in communicating freely about our families, home and community.

We are continuing to develop our confidence in asking adults and our peers for help.

We are becoming familiar with everyday class routines.

RSE

We are going to read the book "The Journey Home From Grandpa's". We will be speaking about our journeys and how we feel when visiting family/friends. We will work in small groups making collages of cars, making sure that we share resources and ideas.

Transport

Creative Development

We are creating art pieces and display work related to our theme of the week and our stories e.g. drawing and painting vehicles, using collage materials and construction kits to create different means of transport.

Literacy

Reading

We are continuing to describe the main story settings, events and principal characters. We recognise that print carries meaning and, in English, is read from left to right and top to bottom.

Writing

We are learning to write our name and letters/words we see in our environment.

Mathematics

Number

We are recognising that not only objects, but anything can be counted, including steps, claps or jumps.

Shape space and measures

We are talking about shapes in the environment and learning to use shapes appropriately for the task.

Understanding the World

We will talk about various means of transport, the different vehicles used and their purpose.

We will also develop an understanding of some occupations and their ways of life.
