## Class Dojo

### St. Andrew's CofE Primary School Traffic Light Behaviour System

The staff and children of St. Andrew's CofE Primary School have a right to work, learn and play in a safe and happy environment, without fear, intimidation, disruption and discrimination. All staff and children have a responsibility to act in a manner which allows others to do this. Therefore the following Traffic Light System will be used to support and promote good behaviour.

	<p>Well done, you are working well and keeping on task!</p> <p>If you are not making the right choices, then an adult will give you a verbal warning and remind you of the school rules. They may also;</p> <ul style="list-style-type: none"><li>• Ask you to move to a different seat</li><li>• Remind you of your choices and consequences</li></ul>
	<p>If you continue to not make the right choice then you will be given an amber card and will be sent to another class to complete your work. When you return to class, you will stay on the amber card to remind you to work carefully and continue to try your best.</p>
	<p>If your <u>behaviour</u> does not improve after the <u>amber warning</u>, then you will be given a red card. This will mean a 15 minute Time Out with SLT to fill out a restorative justice sheet, an entry in the <u>behaviour</u> log and a phone call home. Certain specific <u>behaviours</u> will result in a red card straight away. These include deliberate violence, racist or verbal abuse, use of swear words, walking away from an adult or refusing to go on time out.</p>

Children who achieve 95% or more green cards (and no red cards) over the course of the week will attend Golden Time on Friday afternoon between 2:45 and 3:05pm.

## About Us

### Environment

Although based in a busy part of Greater London, the surrounding trees and greenery provide a pleasant setting that enhances our provision for children. The grounds include a large grassed field; separate playgrounds for EYFS, Key Stage 1 and Key Stage 2; a woodland area, a prayer garden and an allotment space which is looked after by members of the school gardening club.

### Facilities

All classes have access to the Music Room, laptop computers and the Library. All classrooms are fitted with interactive white boards, and children use laptops in class when taking part in ICT. There are also a number of small areas and rooms where children can work in small groups under the supervision of a Teaching Assistant. We have a school hall which is used for assemblies, serving lunch and for PE lessons. The large playground and field area is also used for PE and outdoor learning. Each class has an iPad for gathering evidence of learning and accessing Class Dojo.
