- The children have a break at 10:15am.
- Lunch is from 12.15pm until 1.15pm.
- School finishes at 3.30pm.

Vision and Values

- As a school we have decided on a new vision based on the verse from 1 Corinthians ch3 verse 8:
- 'There is no difference between the one who plants and the one who waters. God will reward each one according to the work each has done.' (Good News Bible)
- Our new values this year will be:
- Responsibility, Honesty, Resilience, Self-control, Empathy and Equity
- We are really excited about this and welcome contributions and suggestions from parents about a strap line we can use and how we can embed this across the school.

Healthy Lunches

- In KS2 children are able to bring a packed lunch or purchase a hot school meal. Please make sure you order school dinners online with The Pantry.
- Please provide your child with a balanced school lunch. Children are not allowed sweets, chocolate bars, fizzy drinks, cans or glass bottles in their lunchbox. All lunchboxes must be named.
- Please make sure all water bottles are labelled and are brought to school every day.

Parents who qualify for free school meals should ring the school and speak to the Finance Officer.

Pupil Premium

Pupil Premium is a Government funded initiative to help raise standards for pupils from lower income families.

The school receives an additional £1320 per eligible pupil to support their education (through additional teaching and support).

If you think your child is eligible, please complete the form and return it to the office.

Please speak to the office or a member of staff if you are unsure.

About Us

Environment

Although based in a busy part of Greater London, the surrounding trees and greenery provide a pleasant setting that enhances our provision for children. The grounds include a large grassed field; separate playgrounds for EYFS, Key Stage 1 and Key Stage 2; a woodland area, a prayer garden and an allotment space which is looked after by members of the school gardening club.

Facilities

All classes have access to the Music Room, laptop computers and the Library. All classrooms are fitted with interactive white boards, and children use laptops in class when taking part in ICT. There are also a number of small areas and rooms where children can work in small groups under the supervision of a Teaching Assistant. We have a school hall which is used for assemblies, serving lunch and for PE lessons. The large playground and field area is also used for PE and outdoor learning. Each class has an iPad for gathering evidence of learning and accessing Class Dojo.
