

Nursery

Communication and Language

Listening

We are learning how to sit and listen to stories and nursery rhymes.

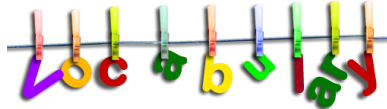

Understanding

We are learning how to follow simple instructions.

Speaking

We are learning new words and speaking in simple sentences.

Physical Development

We are practising lots of fun fine motor activities to build our hand strength ready for writing and cutting.

We are going to the toilet by ourselves and remembering to wash our hands after.

Personal, Social and Emotional Development

We are separating from our parents and carers, and becoming comfortable in the Nursery. We are exploring our indoor and outdoor area and getting to know our teachers and friends.

ME!

Creative Development

We are using lots of different arts and craft materials and exploring colour.

We are role playing using different costumes.

Autumn 1

Literacy

Reading

We are exploring sounds with our bodies, instruments and in the environment. We are learning how to listen to sounds and thinking about loud and quiet sounds.

Writing

We are giving simple meaning to the marks we make.

Mathematics

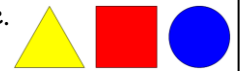

Number

We are learning to count to 5 or beyond and singing lots of songs to help us learn our number names.

Maths Topic

We are learning names of basic shapes like a circle, triangle and a square.

Understanding the World

We are thinking about ourselves and our families, how we live and how we celebrate special days. We are thinking about places that we go to with our families and what we do there.
