Maths:

Multiplication and Division: Children will start to look at formal written methods, using partitioning and applying their understanding of Place Value. They will multiply and divide numbers up to 3-digits by 1-digit.

Area: We will explore what area is and how to count and calculate it on a range of different shapes.

Fractions: Children will learn about equivalent fractions, adding and subtracting fractions, as well as being able to work out fractions of amounts and problem solving.

Spring 1 Roman Rule

RE:

The children will learn the following: Jesus made statements about himself, describing himself through symbolism; the 7 'I am...' statements of Jesus and their meaning to Christians; how the 'I am...' statements relate to the lives of Christians; creation of an 'I am...' statement by pupils for Jesus; and to consider how the meanings behind the statements are relevant in their lives.

Science: States of matter

Compare and group materials, according to whether they are solids, liquids or gases; observe that some materials change state when they are heated or cooled, and measure or research the temperature at which this happens in degrees Celcius (°C); identify the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with temperature.

PE:

Get Active Netball—Friday
Indoor PE—Monday

Computing:

Coding
e-safety

PSHE:

Understanding the changes that occur as we grow older and the feelings associated with that change.
