

ST. ANDREW'S CHURCH OF ENGLAND PRIMARY SCHOOL

SUMMER TERM 2018

TEACHER: Miss M Biddle		YEAR: 5	
ENGLISH	Using a variety of fiction and non-fiction texts including Old Possum's book of practical Cats, Macbeth and The Piano to develop understanding of grammar, vocabulary, spelling rules and strategies, drafting and re-drafting. Studying arguments and debate whilst developing cohesion through writing. Reading lessons will continue as usual.	MUSIC	Concentrating on our summer production. Exploring musical processes: how music is composed from different stimuli. Exploring performing together.
MATHS	Fractions and decimals, perimeter, area and volume and problem solving to support application of knowledge.	Religious Education	Explore the events after Easter to learn about the lives of Peter and Paul. ~ The life of early Christians. The Reformation.
SCIENCE	Life cycles – seed dispersal, germination. Pollination, parts of a flower, life cycles of animals. Keeping Healthy – a balanced diet, the importance of exercise and the function of our heart and lungs.	Physical Education	Swimming (all term) Athletics Games - Cricket
HISTORY	Early Islamic civilisation Use sources of evidence to deduce information about the past, Describe the social, ethnic, cultural or religious diversity of past society. Describe the characteristic features of the past, including ideas, beliefs, attitudes and experiences of men, women and children. Describe the main changes in a period of history Use dates and terms accurately in describing events. Use appropriate historical vocabulary	PSHE	Puberty, changes, with a strong link to Life Cycles and Keeping Healthy in Science. Relationships - making and keeping relationships, how to resolve arguments and disagreements.
GEOGRAPHY	Marvellous Maps allows children to further explore the range of maps available to geographers and to develop their understanding of the key features of maps. They will study a range of maps and atlases, including digital maps, and compare their features. They will learn to use the eight compass points to give directions and give grid references to locate places on a map. By comparing maps of the same place, children will learn about the way that places have changed over time.	TECHNOLOGY	Moving Toys – evaluate how toys move. Different mechanisms. Design and make own movable toys.
ART	Linked to the History topic, to include working with a range of different materials and medium.	COMPUTING	We are advertisers – persuasive writing, using multi-media for advertising. Espresso coding - how to code objects and e-safety – staying safe online (games on screen).

Year 5 Assembly: Friday 11th May
