

Personal, Social and Emotional Development

We will learn to say goodbye coming into nursery. We will establish classroom rules and routines and start to show an interest in other's play and how to join in. We will begin to understand how we are unique and marvellous, what we can do and can't do yet (growth mindset). We will explore different feelings, learn about rewards and recognise what we enjoy and that our friends may be different.

Literacy

We listen to a range of environmental sounds and begin to describe/compare them. We start to recognise our written names and explore mark making with a range of tools, as well as how to hold/use/control a pencil correctly when tracing shapes/lines. We will Listen to stories, responding to what we see to develop our vocabulary.

Communication and Language

We will learn to answer our own name and follow instructions with 3 keywords. We will play games that encourage the children to learn each other's names and describe each other. We will begin to respond to familiar sounds, like tidy up time. We will learn how to ask for help. We will talk about our likes/dislikes, families and differences. We will also develop listening and attention through songs and stories.

Autumn 1 Curriculum Map - Marvellous me!

1 2 3 4 5 Maths

We will trace, make and draw simple shapes (triangle, square, and circle), connect these to the shapes of our faces/features. We practice counting to and back from 5, linking it to us e.g. 2 eyes, 5 fingers. We start to use maths language e.g. more, fewer, same and taller e.g. exploring height.

Physical Development

Understand the importance of looking after ourselves- including the importance of exercise in keeping fit and healthy. We will move in a variety of ways and use different equipment like trikes. We will name fruits and vegetables we like and trying new ones. We will develop our fine motor skills using paintbrushes, crayons and playdoh tools. We will be learning to get dressed and use the toilets independently.

Understanding The World

We look at the human body and identify different parts. Understand what is mine and yours. We learn about 'Pants'. We talk about who is in our family and start to understand how to draw ourselves. We explore colour, people's feelings and how others are different.

Our class stories

Week 1 - My first Day at Nursery
Week 2 - Harry and The Dinosaurs Go To School
Week 3 - Marvellous Me
Week 4 - Colour Monster
Week 5 - Incredible You
Week 6 - Who is in My Family
Week 7 - It's Ok to be different

Expressive Arts and Design

We will make Handprint art. We will discover sounds our bodies make. We will learn songs linked to our theme and use instruments to accompany them. We will play imaginatively in our doctor role play area and home corner.
